

The Beacon – information for hirers

Thanks for choosing the Beacon for your event.

Please read our short terms and conditions:

- All alcohol, soft drinks, tea and coffee consumed on the Beacon premises should be purchased at our bar, unless specific arrangements have been made with us.
- Catering: ask us for a quote, or alternatively, provide your own food at a surcharge of £30. Our cutlery and crockery is available for your use.
- Please avoid single-use plastic decorations and confetti (especially where it can't be hoovered up!).
- If providing your own food, please take away any left over food, rubbish and packaging. We can provide you with bin bags, and *please recycle!*
- Please note our kitchen is in frequent use and therefore it is not included in your hire fee if you provide your own food.
- The Beacon has a small car park – let us know in advance if your guests need parking spaces.
- The Beacon is wheel chair accessible via ramps from the car park into the bar area, however we don't have wheelchair accessible toilets. Please let us know in advance if one of your guests uses a wheelchair, or has mobility issues. We're here to help!

We hope you enjoy your time with us.
