

## HOW TO FIND THE BEACON

Our postcode is TN34 3LS.

BEWARE! Google Maps or SatNav will take you to the wrong place, as we are below St Mary's Terrace, not in it.

Approach via Castle Hill Road, which becomes Wellington Road and then Priory Road. Immediately after the traffic calmer, with the children's playground to your left and the sea view to your right, turn left into Plynlimmon Road.

The road turns sharply to the right after a few yards, whereupon St Mary's Terrace forks to the left.

However, don't go round that bend! We are straight ahead.

The unmade lane down to the Beacon is narrow with no passing spaces, and the Beacon has limited parking only. We advise where possible to park at the top of the West Hill, (free parking after the traffic calmer) then walk to the steps opposite number 12 St Mary's Terrace, which will bring you down to the Beacon gates.

Please note there is no parking in St Mary's Terrace.
