From LONDON

- A21 into Hastings - road becomes Sedlescombe Road North.
- Continue straight ahead until third roundabout. Turn left into St Helens Road, (A2101 signed Hastings town centre)
- Continue along the side of Alexandra park until roundabout. Go straight across, the road becomes Queens Road.
- At the bottom of Queens Road, all traffic has to turn left.
- After Wellington Square, take the next left into Castle Hill Road.
- Follow the road up the hill to the top (keep on the same road, as marked by the white lines, it changes name frequently) where the road turns sharply to the left (you are now at the top of the West Hill, with some of the best views of the town, and the castle is just behind you)
- There is a children's playground on your left, and a traffic calmer where you have priority. Immediately after this, turn left into Plynlimmon Road.
- After 50 yards, the road bends right, but don't follow it. Pictured right is the view you will have in front of you. Take the little rough track to the left of the white building. The track descends for a hundred yards, and you will find the iron gates to The Beacon at the end of the track. There is a car park for about six cars beyond the house, and turning space.
